

We are centralising all our operative functions within the Finnish market area to one of our companies, BPW Kraatz Oy (VAT nr FI26306059).

We want by concentrating our functions, show and strengthen our goal to be the strategically most important and reliable partner for the transport industry in Finland. We want with the broadness and know-how of the complete BPW group, secure the fleet operators functional requirements, by offering key actors within the industry, qualitative and reliable solutions.

- > SYSTEM – Vehicle manufacturers
- > SPARE PARTS - Workshops
- > SERVICE – Fleet operators

1.1.2021

The change will take place on the 1<sup>st</sup> of January 2021 and affects in first-hand the customers and suppliers of Trailcon Oy, by the shift over to using the VAT nr of BPW Kraatz Oy. The already well-known trademark TRAILCON and the related, efficient and Finland wide spare part functions will continue to service our customers, as used to.

Our skilled personnel will continue with our operative functions, in line with their current area of responsibilities and their defined work assignments. We will inform our personnel, customers and suppliers further, during the transformation.
